

**Chartifacts!**

**SINGLES** – Things are fairly quiet this week in the charts while the world is out enjoying the festive season, eating and drinking themselves stupid. Only two new entries into the Top 10 this week, **Dance With Me** by **Deborah Morgan** reaching No 6 and **Vanessa Amorosi's** fourth single **The Power / Everytime I Close My Eyes** at No. 8 this week.

There are no new entries in the Top 100 at all for this week, although there were a couple of singles that hit the charts for the first time last week, on the chart week commencing 25<sup>th</sup> December 2000. They were....

**No. 41 YOU MAKE ME SICK - Pink.** This is the third single from the Top 10 album **Can't Take Me Home**, following the hits **Most Girls** (No. 1 October 2000) and **There You Go** (No. 2 June 2000),

**No. 97 HEAVEN IS A HALFPIPE - OPM.** Since its release in October 2000, this single has been on a slow climb up the charts, to finally make it into the Top 100 this week. It has been charting on the ARIAnet alternative chart since release and comes from their debut album **Menace To Sobriety**, which was released in November.

**No. 100 CAN'T BOWL, CAN'T THROW - Six & Out.**

Taken from the self-titled album **Six & Out**, we see the debut single enter the Top 100 for these cricketing stars, **Brad McNamara** (lead guitar), **Gav Robertson** (drums), **Richard Chee Quee** (lead vocals) and the brothers, **Brett** and **Shane Lee** on bass and rhythm guitar. It wouldn't matter what chart position was reached by these boys, after all there is cricket to be played and a **Frank Worrell Trophy** to be won.

---

**ALBUMS** - Nothing at all debuting on the albums chart this week, in either the Top 10 or Top 100. While the Top 4 remain the same, this week sees three re-entries, **Charlie's Angels Soundtrack** returns at No. 6, **Born To Do It** by **Craig David** claims No. 7 and this week's No. 9 spot is held by **Limp Bizkit's** album **Chocolate Starfish And The Hot Dog Flavoured Water**.

There were no debuts on the album chart for week commencing 25<sup>th</sup> December 2000.
